

## The Great Change Part 2

The reason that the change was so important to the bride is that without understanding who is actually the Angel for this hour, you will not be able to leave the 7<sup>th</sup> Church Age and step into the 8<sup>th</sup> Day. The messenger of Malachi 4 could only turn the hearts of the Children to the fathers by preaching the restored word of God. The Angel of Revelation 10 was to literally turn the hearts of the children back to the fathers. That literal turning is the new birth for this hour that we are living in. It is not enough to come out of the denominational system and come to the message of the hour and say that William Branham is the prophet, but unless you meet the Mighty Angel of Revelation 10:1 you still are not ready to be born again. It takes the revealing of the 7 thunders to you personally by the Mighty Angel to give you an understanding.

Many people in the denominational systems fail to see the importance of coming out of the system and following the message that has been given for this hour, but there are those who came to follow the message of the hour (Moses) and failed to follow the messenger which was to follow Moses... Joshua.

57 020 Joshua here is a Book; actually it's a Book of redemption, of the Old Testament. Joshua, we would have to consider it to be that, the Book of redemption. Because it's... Redemption has two parts. Redemption anywhere has two parts. That is, it's "out of" and "into." It takes two parts to make redemption, "out of," "into."

Moses represented the law which brought them out of Egypt, and whereas, Joshua represented grace that took them into the promised land. Another way was, the--the law and grace were two different aspects of God's command. Now, the law brought them out, Moses, and Joshua took them in.

It also represents something for our day. Now, it represents, as they were in the journey, coming from--from Egypt into a promised land, so have we come out of a world of Egypt, chaos, on our road to a promised land. "In My Father's house are many mansions; if it wasn't so, I would've told you," John 14: coming "out of," going "into."

81 029 Joshua here is a type of the last day ministry. See? Now, remember those three stages of the journey. All of it ceased, first the law and everything had to cease, so that Joshua... And Joshua is the same word as Jesus, "Jehovah-Saviour," that took them from their wilderness into the promised land. Now, I know many hold...

And I don't want to disagree with the scholars, but many hold that the promised land represents heaven. It could not represent heaven. It could not, because they had wars, and troubles, and flusterations, and everything in the promised land. It does not represent the promised land.

Brother Branham was trying to show us that Joshua had a ministry that was to take us into the promised land from the wilderness. We too were in the wilderness and God using the Mighty Angel of Revelation 10:1 brought us into the understanding of this message by a revelation.

When we look over into Rev. 10:1-7 we can see the first ministry and the second ministry of Bro. Branham. The mighty Angel of Rev. 10:1 was the literal part of the ministry which would bring us to a new birth or a clear understanding.

REVELATION 10:1-7

1 ¶ And I saw another mighty angel come down from heaven, clothed with a cloud: and a rainbow [was] upon his head, and his face [was] as it were the sun, and his feet as pillars of fire:

2 And he had in his hand a little book open: and he set his right foot upon the sea, and [his] left [foot] on the earth,

3 And cried with a loud voice, as [when] a lion roareth: and when he had cried, seven thunders uttered their voices.

4 And when the seven thunders had uttered their voices, I was about to write: and I heard a voice from heaven saying unto me, Seal up those things which the seven thunders uttered, and write them not.

5 And the angel which I saw stand upon the sea and upon the earth lifted up his hand to heaven,

6 And swore by him that liveth for ever and ever, who created heaven, and the things that therein are, and the earth, and the things that therein are, and the sea, and the things which are therein, that there should be time no longer:

7 But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.

According to Bro. Branham and the scriptures, the ministry of Mal. 4 was to do two things:

*Now this messenger of Malachi 4 and Revelation 10:7 is going to do two things. One: According to Malachi 4 he will turn the hearts of the children to the fathers. Two: He will reveal the mysteries of the seven thunders in Revelation 10 which are the revelations contained in the seven seals. It will be these Divinely revealed 'mystery-truths' that literally turn the hearts of the children to the Pentecostal fathers. Exactly so.*

[END QUOTE]

With the two jobs, one is to turn the hearts to the fathers as according to Malachi 4 and the other job is the new birth according to Rev. 10 which is the mystery truths of the bible, personally revealed to the believer. This understanding literally turns the heart of the people to God. It takes both to complete a new birth, and this is the most important thing to understand in this day for it is God giving you a clear understanding of your day and its message.
